Student Entry Survey

Batch-(2022-2024)

Analysis Report

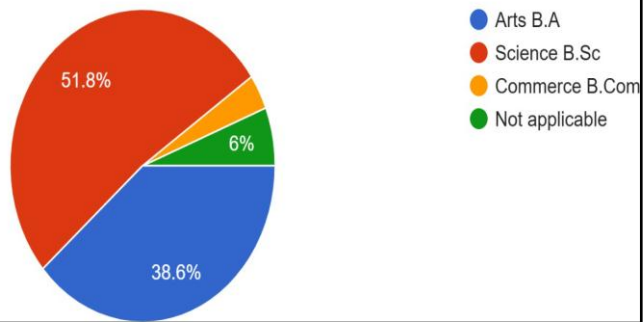

Report on Student Entry survey (2021-2023)

An effort was made by Internal Quality Assurance Cell to collect data from the students after they are admitted in the institution. The data was collected to gather information about various aspects of the institution. Information gathered will provide insight as well as guide us to improve further. Data was collected from the students by giving statements seeking information how they perceive the institution and services provided thereby. Statements related with various aspects i.e. teaching, non-teaching and other facilities offered by the institution were provided the students were expected to tick which they feel correct.
