Student Entry Survey

Batch-(2023-2025)

Analysis Report

Report on Student Entry survey Batch-(2023-2025)

An effort was made by Internal Quality Assurance Cell to collect data from the students after they are admitted to the institution. The data was collected to gather information about various aspects of the institution. Information gathered will provide insight as well as guide us to improve further. Data was collected from the students by giving statements seeking information on how they perceive the institution and services provided thereby. Statements related with various aspects i.e. teaching, non-teaching and other facilities offered by the institution were provided the students were expected to tick which they feel correct.
