Student Exit Survey

Batch-(2022-2024)

Analysis Report

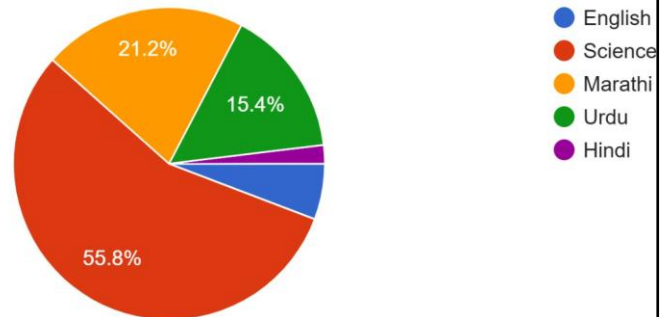

An effort was made by Internal Quality Assurance Cell to collect data at Exit time from the institution of the student to gather information about various aspects of the institution. Information gathered will provide insight as well as guide us to improve further. Data was collected from the students by giving list of various aspects i.e. teaching, non-teaching and other facilities offered by the institution which the students were expected to rate on 5-point scale.
