

## Message from the IQAC Coordinator

As per the guidelines of the National Assessment and Accreditation Council (NAAC), the IQAC functions as a proactive mechanism to promote a culture of continuous improvement in all spheres of institutional performance. In a Teacher Education Institute, quality assumes even greater significance, as we are entrusted with preparing future educators who will shape the nation.

IQAC at **Marathwada College of Education** strives to ensure excellence in curriculum planning, innovative pedagogical practices, research engagement, community outreach, and effective governance. We emphasize learner-centred approaches, integration of ICT, value-based education, inclusive practices, and outcome-based learning to prepare competent and compassionate teachers.

The IQAC continuously monitors and reviews academic and administrative processes, organizes quality enhancement initiatives, conducts academic audits, collects stakeholder feedback, and documents best practices. Through collaborative efforts of faculty, students, management, alumni, and external stakeholders, we work towards sustaining and enhancing institutional standards.

Quality is not a one-time achievement but a continuous journey. The IQAC remains committed to fostering professionalism, accountability, and innovation to ensure holistic development of our future teachers.

I extend my sincere gratitude to all stakeholders for their valuable support in strengthening the quality culture of our institution.

**Prof. Kaneez Fatima**

IQAC Coordinator
